    c. May 1974 - The Department of
Transportation requested temporary use of
a ████████████████████████ to perform
████████████████████ checks on their Depart-
ment ██████████████

    Requests like those specified occur
approximately 6 - 12 times per year for the
types of equipment mentioned.

    5. Examples of instruction in security techniques
and know-how provided by Technical Security Division personnel
are:

25X1A

    a. NSA has requested TSD personnel to
brief classes attending the National Cryptological
School at Fort Meade approximately three times
a year on the █████████████ threat and means of
countering the threat.

    b. May 1974 - The FBI requested instruction
on document destruction devices.

    c. The State Department physical security
equipment specialists and Technical Security
Division physical security equipment specialists
have a continuing exchange of views on techniques
to improve physical security █████████████ These
two groups also assist each other in the develop-
ment of tools for work ██████████████
